# Welcome

I am so glad to hear you're looking for a life and business coach.

You are receiving this package because you want to deconstruct societal conditioning to build a business with flow and ease.

Congratulations on recognizing that a coach can help guide you on this journey and help you reach your goals more quickly.

The key to building a business with ease and flow is to heal your heart, embrace who you are now, align your business with her, and embody who you want to be.

I am honored and excited that you are considering me as your coach.

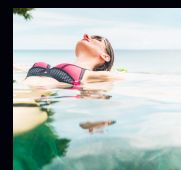

Together we will dig into what's holding you back from growing your business confidently and courageously.

I'm living proof that when you heal your heart and become your true, whole self, you can achieve things that you never thought possible.

I hope to begin working with you soon!

Love,

*Melissa Stuart*

# MY STORY

## HOW I WENT FROM FLOUNDERING ENTREPRENEUR TO SUCCESSFUL BUSINESS WOMAN

At 4, I had surgery for a chronic illness. At 6, my dad left without a word. At 17, I became a pregnant teen. At 22, I found myself as a mom of 2 in an abusive marriage. I always told myself I'd NEVER be one of those girls. I looked at my life and where it was headed and decided that my first act of audacity would be to leave and start over. Thus began my long and winding path of financial & emotional ruin. I had no idea what I was in for. And yet, I regret nothing.

For the next 14 years, I struggled to believe in myself, be confident & determined, and be successful. But in 2017, I began my journey of self-development and healing. This alone has had the most impact on my life.

**I AM WORTHY. AND SO ARE YOU!**

I learned that I am love, just as I am. I learned that I am worthy and I was made on purpose. I learned that I choose my own destiny. I learned that our purpose in life is to use our unique gifts and talents to help others. I learned to build my business by having fun and being real.

Now I teach women like you how to do it, too!

# DO IT YOUR WAY

## 4-Month Coaching Program

---

This is my signature coaching program. In this program, I help you discover who you really are at your core and apply her everywhere. Throughout our lives, we are conditioned by society (parents, community, partners, teachers, bosses, friends, etc.) to believe certain things about ourselves. Together, we'll discover what's true and what's not so you can build your life and business according to who you really are and HAVE FUN doing it!

### ELIMINATE PAST CONDITIONING

In this phase, we're working on deconstructing old beliefs and stories/experiences we've held to for too long. Eliminating these, makes room for new, empowering beliefs.

### EMBRACE YOUR TRUE, WHOLE SELF

This is where the fun starts. We start to uncover who you really are without shame or guilt. Eradicating the "should's" and "supposed to's", cuz honey, ain't no body got time fuh that.

### EMBODY FUTURE YOU

In this phase, you're already having fun stepping into the real you, so we'll add a little "spice" and bring future you to the table right now! No need to wait for that successful, confident woman to show up. She's already here. Let's draw her out!

“

...You're very good at what you do — helping mesh all aspects of our complicated modern lives in order to achieve goals! Working with you has helped me work through some of my roadblocks that have hampered my progress for months, if not years. I'm able to make forward progress after being stalled for so long.

*-Ashley D.*

Working with Melissa has been an amazing experience. My marriage has new life to it. I had such an eye opening experience. She isn't afraid to call you out on your bs either. It was such a relief to find a coach who didn't right away tell me to file for divorce. A 20+ year marriage is hard work no matter who you are. While working with Melissa I have gained so much insight as well as found a bit of my audacity which I kind of misplaced over the years. I can't recommend her enough.

OUR DEEPEST FEAR IS THAT WE ARE **POWERFUL BEYOND
